for each child

Dear School Leaders:

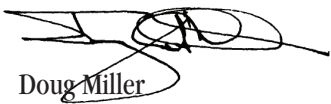

The Department of Elementary and Secondary Education’s Leadership Academy is proud to offer our Satellite Academy Program for the 24th consecutive year. Using the Interstate School Leaders Licensure Consortium (ISLLC) Standards as the program’s goals, Satellite Academy participants will have a unique professional-development opportunity in school improvement, professional growth, collegiality and personal improvement.

Upon completion of the yearlong program, participants will have completed the ISLLC School Leadership Self Inventory both before and following the Satellite Academy. They will have the tools to develop a personal-improvement plan based on assessment data, profiles and feedback. Participants will also acquire basic knowledge regarding change processes, data collection and analysis, and professional development for teaching and learning.

Data collected over the years of the program indicate significant improvement in the skills and knowledge base of those attending the Satellite Academy. School leaders leave the Satellite Academy renewed and refocused on implementing school improvement programs for their buildings.

Don’t miss this opportunity to attend one of the top leadership programs in the nation.

Sincerely,

Doug Miller
Coordinator of The Leadership Academy

ISLLC Standards

A school administrator is an educational leader who promotes the success of every student by ...

- 1. facilitating the development, articulation, implementation and stewardship of a vision of learning that is shared and supported by all stakeholders.
- 2. advocating, nurturing and sustaining a school culture and instructional program conducive to student learning and staff professional growth.
- 3. ensuring management of the organization, operations and resources for a safe, efficient and effective learning environment.
- 4. collaborating with faculty and community members, responding to diverse community interests and needs, and mobilizing community resources.
- 5. acting with integrity, fairness and in an ethical manner.
- 6. understanding, responding to and influencing the political, social, economic, legal and cultural context.

The Department of Elementary and Secondary Education does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. Inquiries related to Department programs may be directed to the Jefferson State Office Building, Title IX Coordinator, 5th Floor, 205 Jefferson Street, Jefferson City, MO 65102-0480; telephone number 573-751-4212.

Who

All practicing or aspiring administrators in public, private and parochial schools are eligible for the Satellite Academy Program. Participants must have a strong commitment to their own growth and development.

Why

The focus of this sustained program is to develop school leaders who can positively and significantly impact student performance through effective school improvement practices. In Missouri and throughout the nation, school improvement mandates and standards are redefining the school administrator’s role. The pressure is on to provide a quality education for each child. Missouri administrators must have continuous opportunities to develop and hone skills for instructional leadership.

Where

Regional Satellite Academy activities will be coordinated by facilitators through the state university and Regional Professional Development Center in your area. Participants will determine regional dates and schedules for their respective group meetings.

When

Participants will be involved in at least 18 days of organized activities from July through June each fiscal year. Every satellite group will determine dates for regional activities. The following is a tentative schedule.

July 24-26, 2008 -----	Kickoff Statewide Meeting at Resort at Port Arrowhead, Lake Ozark
September 2008 – May 2009 -----	Regional meetings
October 16-19, 2008 -----	Outdoor Leadership Experience at Lake Ozark State Park
January 22-24, 2009 -----	Winter Statewide Meeting at Resort at Port Arrowhead, Lake Ozark
June 18-20, 2009 -----	Graduation Statewide Meeting at Resort at Port Arrowhead, Lake Ozark

Cost

A \$600 enrollment fee covers all activities and materials, including assessments and feedback. In addition, there is a \$60 fee for each statewide meeting. Transportation, meals and lodging for the meetings are not included. The fee may be paid in two installments. Contact your regional facilitators for scholarship information.

You **must** attend the kickoff meeting in order to be in the Satellite Academy Program. The kickoff meeting will be your first activity as a Satellite Academy participant. There is an additional charge of \$60 to cover resource material and meals for this meeting and \$60 for the other three state meetings. Cancellations must be received by the Leadership Academy two days prior to the session.

Persons participating in the St. Louis area Satellite Academy should anticipate differences in cost, time commitment and eligibility requirements. For more information, contact Bev Nance at (314) 968-5410 or Kelly Hackworth at (314) 692-9703.

How to enroll

Register online no later than **July 15, 2008**, through mylearningplan.com at <http://dese.mo.gov/divteachqual/leadership>.

For first-time users of mylearningplan.com, enter <http://www.dese.mo.gov/divteachqual/leadership/>. This will take you to the Leadership Academy Bulletin Board, where you will find a link to MyLearningPlan. Click on the link.
